OVERVIEW OF YOUR DENTAL BENEFIT PLAN

A. HOW TO USE YOUR LIBERTY DENTAL PLAN

This booklet is Your Evidence of Coverage (EOC). It explains what LIBERTY covers and does not cover. Also read Your Schedule of Benefits (on page 18), which lists co-pays and other fees. Your LIBERTY Dental Plan is an Individual dental plan. To be eligible for this coverage, You must meet the eligibility requirements as stated in this document.

B. HOW TO CONTACT LIBERTY

Our Member Services Department is here to help You. Call us if You have a question or a problem:

C. LIBERTY'S SERVICE AREA

LIBERTY has a Service Area, which is the entire state of California. This is the area in which LIBERTY provides dental coverage. You must live or work in the Service Area. You must receive all dental service services within the Service Area, unless You need emergency or Urgent Care. If You move out of the Service Area You must tell LIBERTY.

D. LIBERTY'S NETWORK

Our network is all the General Dentists and dental Specialists that LIBERTY has contracted with to provide services to our Members. You must get Your dental services from Your Primary Care Provider and other Providers who are in the network. Call 888-703-6999 to ask for a LIBERTY Provider Directory or use the website.

If You go to Providers outside the network, You will have to pay all the cost, unless You received pre-approval from LIBERTY or You had an emergency or You needed Urgent Care away from home. If You are new to LIBERTY or LIBERTY ends Your Provider's contract, You can continue to see Your current dentist in some cases. This is called *continuity of care* (see page 9).

E. YOUR PRIMARY CARE PROVIDER (see page 6)

When You join LIBERTY, in most cases You need to choose a Primary Care Provider to whom You will be assigned. This is usually a General Dentist who provides Your basic care and coordinates the care You need from other dental specialty Providers.

EXCEPTION: Some LIBERTY plans do not require You to choose and be assigned to a Primary Care Provider. On those plans, You may access services from any contracted Primary Care Provider in the network. Refer to Your Schedule of Benefits to determine if Your plan requires You to choose and be assigned to a Primary Care Provider.

F. LANGUAGE AND COMMUNICATION ASSISTANCE (see page 16)

If English is not Your first language, LIBERTY provides interpretation services and translation of certain written materials in Your preferred language. To ask for language services call 888-703-6999. If You have a preferred language, please notify us of Your personal language needs by calling 888-703-6999.

G. HOW TO GET DENTAL CARE WHEN YOU NEED IT

Call Your Primary Care Provider first for all Your care, unless it is an emergency.

- You usually need a referral and pre-approval to get care from a Provider other than Your Primary Care Provider. See the next section.
- The care must be medically necessary for Your health. Your dentist and LIBERTY follow guidelines and policies to decide if the care is medically necessary. If You disagree with LIBERTY about whether a service You want is medically necessary, You can file a Grievance or, in some cases, You may request an Independent Medical Review (see page 15).
- The care must be a service that LIBERTY covers. Covered dental services are also called Benefits. To see what services LIBERTY covers, see the Schedule of Benefits in Appendix I.

H. TIMELY ACCESS TO CARE

You are entitled to schedule an appointment with your Primary Care Provider within a reasonable time that is appropriate to Your condition:

- Urgent appointments should be scheduled within 72 hours. Discuss Your individual needs with Your Primary care Provider to determine how soon you can be seen *page reference
- Non-Urgent Appointment should be offered within 36 business days.

- Preventive dental; care appointments should be offered within 40 business days.

If for any reason You are unable to schedule an appointment within these timeframes, please call the Member Services Department at 1-888-703-6999 for assistance.

LIBERTY provides language assistance services at all points of contact, including at your dental appointment. If your Primary Care Provider or Specialist, or their office staff, cannot communicate with You in Your language, LIBERTY can arrange for interpretation services at Your appointment at no cost to You. LIBERTY makes these services available to You even if You are accompanied at Your appointment by a family member or friend that can assist with interpretation. Please contact LIBERTY's Member Services Department at 1-888-703-6999 to arrange these services as far in advance of Your appointment time as possible.

I. REFERRALS AND PRE-AUTHORIZATIONS (see page 8)

You need a referral from Your Primary Care Provider and pre-approval from LIBERTY for services to be provided by a Specialist or to receive a second opinion or to see a dentist who is not in LIBERTY's network. Pre-approval is also called Pre-Authorization.

- Make sure Your Primary Care Provider gives You a referral and gets pre-approval if it is required.
- If You do not have a referral and pre-approval when it is required, You will have to pay all of the cost of the service.

You do **not** need a referral and pre-approval to see Your Primary Care Provider, or to get emergency care or Urgent Care.

J. EMERGENCY CARE (see page 7)

Emergency care is covered anywhere in the world. A condition may be considered an emergency if, without treatment, Your health may be in serious jeopardy, You may experience serious impairment to bodily functions or serious dysfunction of any bodily organ or part. Emergency care may include care for a bad injury, severe pain, or a sudden serious dental illness. Go to Your Primary Care Provider for follow-up care. Do not go back to the emergency room for follow-up care.

K. URGENT CARE (see page 7)

Urgent care is care that You need soon to prevent a serious health problem. Urgent care is covered anywhere in the world.

L. CARE WHEN YOU ARE OUT OF THE LIBERTY SERVICE AREA (see page 7)

Only Emergency and Urgent Care is covered outside of the LIBERTY Service Area.

M. COSTS (see the "SCHEDULE OF BENEFITS" on page and "What You Pay" on page 9)

- The Premium is what You pay to LIBERTY to keep coverage.
- A Co-payment is the amount that You must pay to the Provider for a particular covered procedure. The yearly deductible is the amount you pay directly to Providers for certain services, before LIBERTY starts to pay.
- The yearly out-of-pocket maximum is the most money you have to pay for your covered dental care in a year.

After You pay Your Co-payments, LIBERTY pays for the rest of any covered service. After you have reached the yearly out-of-pocket maximum, LIBERTY pays the rest of the cost of the services for that year, as long as the service you get is a covered benefit

N. IF YOU HAVE A COMPLAINT ABOUT YOUR LIBERTY DENTAL PLAN (see page 13)

LIBERTY provides a Grievance resolution process. You can file a complaint (also called an *appeal* or a *grievance*) with LIBERTY for any dissatisfaction You have with LIBERTY, Your Benefits, a claim determination, a benefit or coverage determination, Your Provider or any aspect of Your dental Benefit Plan. If You disagree with LIBERTY's decision about Your complaint, You can get help from the State of California's HMO Help Center. In some cases, the HMO Help Center can help You apply for an Independent Medical Review (IMR) or file a complaint. IMR is a review of Your case by doctors who are not part of Your health plan.

O. FISCAL SEPARATION OF DECISION MAKING

It is LIBERTY's policy that all clinical review decisions made by staff and or contractors are based solely on appropriateness of care and services and the existence of coverage. LIBERTY does not reward or incentivize reviewers for issuing denials for coverage or care, nor provide incentives that would encourage decisions that result in underutilization.

LIBERTY's Utilization Management staff annually signs an attestation that review decisions were made based solely on appropriateness of care and services and existence of coverage.

1. **General Dentistry/Primary Care Dentistry:** Except as noted below under Exception, when You join LIBERTY Dental Plan, You must choose a Primary Care Dentist to which You will be assigned. Your assigned Primary Care Provider is responsible for coordinating any specialty care dental services You might need. You must obtain general dental services from Your assigned Primary Care Provider. Your assigned Primary Care Provider will share information with any Specialist to coordinate Your overall care.

Unless otherwise noted in the Exception below, if You do not select a Primary Care Provider, one will be chosen for You by LIBERTY upon Your enrollment and You will be notified of this assignment.

Box 26110, Santa Ana, CA, 92799-6110. Your requested change to a Primary Care Dentist will be in effect on the first (1st) day of the following month if the change is received by LIBERTY Dental Plan prior to the twentieth (20th) of the current month. Your request to change dentists will not be processed if You have an outstanding balance with Your current dentist.

3. **Exception:** To determine if Your plan requires provider office pre-assignment, please refer to the first page of Your Schedule of Benefits beginning on page 18. If Your plan does not require provider office pre-assignment, in order to access care under one of those plans, contact a LIBERTY Dental Plan provider who is contracted to provide services under Your selected plan for an appointment. Your Specialist will submit a Pre-Authorization for services to LIBERTY for Pre-Authorization.

All services and Benefits described in this publication are covered only if provided by a contracted LIBERTY Dental Plan participating Primary Care Dentist or Specialist. The only time You may receive care outside the network is for Emergency Dental Services as described herein under "Emergency Dental Care".

D. URGENT CARE

Urgent care is care You need within 24 to 72 hours, and are services needed to prevent the serious deterioration of Your dental health resulting from an unforeseen illness or injury for which treatment cannot be delayed. The Plan provides coverage for urgent dental services only if the services are required to alleviate severe pain or bleeding or if an Enrollee reasonably believes that the condition, if not diagnosed or treated, may lead to disability, dysfunction or death. Contact Your assigned Primary Care Provider for Your urgent

needs during business hours or after hours. If You are out of the area, You may contact LIBERTY for referral to another contracted dentist that can treat Your urgent condition. For after-hours Urgent Care outside the Service Area, You may proceed to find a dentist who can assist You. LIBERTY will reimburse You for covered dental expenses up to a maximum of seventy-five dollars (\$75) less applicable Co-payments per calendar year. You should notify LIBERTY as soon as possible after receipt of Urgent Care services preferable within 48 hours. If it is determined that Your treatment was not due to a dental emergency, the services of any non-contracted dentist will not be covered.

E. EMERGENCY DENTAL CARE

All affiliated LIBERTY Dental Plan Primary Care Dental offices provide availability of Emergency Dental Services twenty-four (24) hours per day, seven (7) days per week. The Plan provides coverage for Emergency Dental Services if, without treatment, Your Health may be in serious jeopardy, You may experience serious impairment to bodily functions or serious dysfunction of any bodily organ or part. Emergency Care may include care for a bad injury, severe pain, or a sudden serious dental illness. You may also wish to consider contacting the “911” emergency response system. The use of such system should be done so responsibly.

In the event You require Emergency Dental Care, contact Your Primary Care Dentist to schedule an immediate appointment. For urgent or unexpected dental conditions that occur after-hours or on weekends, contact Your Primary Care Dentist for instructions on how to proceed.

If Your Primary Care Dentist is not available, or if You are out of the area and cannot contact LIBERTY to redirect You to another contracted Dental Office, contact any licensed dentist to receive emergency care. LIBERTY will reimburse You for covered dental expenses up to a maximum of seventy-five dollars (\$75), less applicable Co-payments. You should notify LIBERTY as soon as possible after receipt of Emergency Dental Services, preferably within 48 hours. If it is determined that Your treatment was not due to a dental emergency, the services of any non-contracted dentist will not be covered.

Emergency Dental Service (*covered by Your LIBERTY Dental Plan*) is defined in the California Health & Safety Code, to include a dental screening, examination, evaluation by dentist or Specialist to determine if an emergency dental condition exists, and to provide care that would be acknowledged as within professionally recognized standards of dental care and in order to alleviate any emergency symptoms in a dental office.

Reimbursement for Emergency Dental Care: If the requirements in the section titled “Emergency Dental Care” are satisfied, LIBERTY will cover up to \$75 of such services per calendar year. If You pay a bill for covered Emergency Dental Care, submit a copy of the paid bill to LIBERTY Dental Plan, Claims Department, P.O. Box 26110, Santa Ana, CA, 92799-6110. Please include a copy of the claim from the Provider’s office or a legible statement of services/invoice. Please forward to LIBERTY Dental Plan with the following information:

- Your membership information.
- Individual’s name that received the Emergency Dental Services.
- Name and address of the dentist providing the Emergency Dental Service.
- A statement explaining the circumstances surrounding the emergency visit.

If additional information is needed, You will be notified in writing. If any part of Your claim is denied You will receive a written explanation of benefits (EOB) within 30 days of LIBERTY Dental Plan’s receipt of the claim that includes:

- The reason for the denial.
- Reference to the pertinent Evidence of Coverage provisions on which the denial is based.
- Notice of Your right to request reconsideration of the denial, and an explanation of the Grievance procedures. You may also refer to the EOC section, GRIEVANCE PROCEDURES below.

F. SECOND OPINION

At no cost to You, You may request a second dental opinion diagnosis for services covered under Your plan when appropriate, by directly contacting Member Services either by calling the toll-free number (888) 703-6999 or by writing to: LIBERTY Dental Plan, P.O. Box 26110, Santa Ana, CA, 92799-6110. Your Primary Care Provider may also request a second dental opinion on Your behalf by submitting a Standard Specialty or Orthodontic Referral form with appropriate x-rays. All requests for a second dental opinion are processed by LIBERTY Dental Plan within five (5) business days of receipt of the request, or within 72 hours of receipt for cases involving an imminent and serious threat to Your health including, but not limited to, severe pain, potential loss of life, limb, or major bodily function. Upon approval, LIBERTY Dental Plan will make the appropriate second dental opinion arrangements and advise the attending dentist of Your concerns. You will then be advised of the arrangement so an appointment can be scheduled. Upon request, You may obtain a copy of LIBERTY Dental Plan’s policy description for a second dental opinion.

G. REFERRAL TO A SPECIALIST

In the event that You need to be seen by a Specialist, LIBERTY Dental Plan requires that Your Primary Care Provider obtain Authorization for You to receive specialty care. The Pre-Authorization submission will be responded to within five (5) business days of receipt, unless urgent.

If Your specialty referral Pre-Authorization is denied or You are dissatisfied with the Pre-Authorization, You have the right to file a Grievance. See EOC Section X, "GRIEVANCE PROCEDURES", on page 14.

If Your Primary Care Provider has difficulty locating a Specialist in Your area, contact LIBERTY Member Services for assistance in locating a Specialist.

Any Specialty services deemed necessary and pre-approved by LIBERTY as medical necessary services are for the treatment prescribed by the Specialist that proposed the treatment. Treatment plans are not transferrable to another Specialist unless the subsequent Specialist agrees with the treatment proposed by the prior Specialist.

If You are unable to access in-network Specialty services in a reasonable time period or location (as determined by published access requirement), You may contact Member Services for assistance in finding another in-network Specialist, or to make arrangements to access care from an out-of-network Specialist. All Specialty care must be pre-approved for coverage determination, medical necessity and/or appropriateness to the presenting conditions. In such cases, You would be financially responsible only for the listed copayment for covered services. You would also be financially responsible for the provider's usual fee for any non-covered, elective services, or for services not deemed to be medically necessary upon review by LIBERTY.

H. AUTHORIZATION, MODIFICATION OR DENIAL OF SERVICES

No prior benefit Authorization is required in order to receive general dental services from Your Primary Care Dentist. The Primary Care Dentist has the authority to make most coverage determinations. The coverage determinations are achieved through comprehensive oral evaluations which are covered by Your plan. Your Primary Care Dentist is responsible for communicating the results of the comprehensive oral evaluation and advising of available Benefits and associated cost.

Referral to a Specialist is the responsibility of Your assigned contracted Primary Care Provider (see Referral to a Specialist above).

Specialty services proposed by any Specialist to whom You are referred must be Pre-Authorized prior to rendering care, except for Emergency Dental Services (Emergency Dental Care and Urgent Care services described above).

You or Your Providers may call Member Services toll-free at 1-888-703-6999 for information on Pre-Authorization of services policies, procedures or the status of a particular referral or Pre-Authorization.

Specialty referral and Pre-Authorization of specialty services proposed by the Specialist is processed within 5 days of receipt of all information necessary to make the determination. When LIBERTY is unable to make the determination within the 5-day requirement, LIBERTY will notify Your Provider and You of the information needed to complete the review and the anticipated date when the determination will be made.

Any denial, delay or modification of services will contain a clear and concise description of the utilization review criteria, guideline, clinical reason or contractual section of the coverage documentation used to make such a determination. Such determinations will include the name and telephone number of the health care professional responsible for the determination and information on how You can

Determinations to deny, delay or modify treatment requested on Your behalf will contain information on how You may file a Grievance based on this determination.

Urgent requests: If You or Your Primary Care Dentist encounter an urgent condition in which there is an imminent and serious threat to Your health including but not limited to, the potential loss of life, limb, or other major body function, or the normal timeframe for the decision making process as described above would be detrimental to Your life or health, the response to the request for referral should not exceed seventy-two (72) hours from the time of receipt of such information, based on the nature of the urgent or emergent condition.

The decision to approve, modify or deny will be communicated to the Primary Care Dentist within twenty-four (24) hours of the decision. In cases where the review is retrospective (services already provided), the decision shall be communicated to the Enrollee within thirty (30) days of the receipt of the information.

- For non-covered services. If You have services from a non-contracted dentist or facility
- If a Pre-Authorization was required and You did not have the treatment Pre-Authorized
- Services received out of area that are later deemed to not qualify as emergency or Urgent Care services, such as (but not limited to) routine treatment beyond the stabilization of the emergency situation

Emergency services may be available out-of-network or without Pre-Authorization in some situations (see Emergency Dental Care section above).

IMPORTANT: Prior to providing You with non-covered services, Your Contracted Dentist should provide You a treatment plan that includes each anticipated service and the estimated cost. If You would like more information about dental coverage options, You may contact our Member Services Department at 888-703-6999.

In no event are You ever responsible for any sums owed to a Contracted Dentist by LIBERTY. In the event that LIBERTY fails to pay a Non-Participating Provider, You may be liable to the Non-Participating Provider for the cost of services You received.

IMPORTANT: If You opt to receive dental services that are not covered services under this plan, a participating dental provider may charge You his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If You would like more information about dental coverage options, You may call member services at (888) 703-6999 or Your insurance broker. To fully understand Your coverage, You may wish to carefully review this evidence of coverage document.

B. MISSED APPOINTMENTS

LIBERTY strongly recommends that if You need to cancel or reschedule an appointment with Your Provider that You notify the Dental Office as far in advance as possible. This will allow the LIBERTY and the Provider to accommodate another person in need of attention. Providers may charge a fee for missed or broken appointments with less than the recommended notice.

VIII. TERMINATION, RESCISSION AND CANCELLATION OF COVERAGE

A. TERMINATION OF BENEFITS

1. Termination Due to Loss of Eligibility

Your LIBERTY Plan coverage may end if You no longer live or work in the LIBERTY service area or if LIBERTY no longer offers Your dental plan.

2. Termination Due to Non-Payment of Premium

If premiums are not paid according to the agreement, termination will be effective on midnight of the last day of the month for which premiums were last received, subject to compliance with notice requirements accepted by LIBERTY Dental Plan. Enrollees are given a grace period of at least 30 days extending from the last date of paid coverage. In the event premiums are paid before the end of the grace period, coverage shall continue uninterrupted under the Plan contract. If premiums are not paid, coverage shall terminate after the completion of the grace period.

Termination by LIBERTY will comply with Health and Safety Code, Section 1365(a) as amended and any associated guidance or regulation in force at that time.

3. Completion of Treatment In Progress After Termination

If You terminate from the Plan while the contract between You and LIBERTY Dental Plan is in effect, Your Primary Care Provider or Specialist must complete any procedure in progress that was started before Your termination, abiding by the terms and conditions of the Plan.

If You terminate coverage from the Plan after the start of orthodontic treatment, You will be responsible for any Charges on any remaining orthodontic treatment.

4. Termination Due to Fraud

If a Subscriber permits any other person to use their Member ID card to obtain services under this dental plan, or otherwise engages in fraud or deception in the provision of incomplete or incorrect “material” information to LIBERTY or to the Provider that would affect enrollment information, for use of the services or facilities of the plan or knowingly permits such fraud or deception by another, termination will be effective immediately upon notice from LIBERTY Dental Plan.

5. Termination Due to Health Status

LIBERTY does not terminate based on any health status. If You believe that Your coverage has been terminated based on Your health status or requirements for health care services, You may request a review to be performed by the Director of the Department of Managed Health Care. If the Director determines that a proper complaint exists under the provisions of this section, the Director shall notify the plan. Within 15 days after receipt of such notice, the plan shall either request a hearing or

reinstate the Enrollee or Subscriber. A reinstatement shall be retroactive to time of cancellation or failure to renew and the plan shall be liable for the expenses incurred by the Subscriber or Enrollee for covered health care services from the date of cancellation or non-renewal to and including the date of reinstatement. You can contact the Department of Managed Health Care at (1-888-HMO-2219) or on a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's Internet web site is <http://www.hmohelp.ca.gov>.

D. RESCISSION

Rescission means that LIBERTY may cancel Your coverage as if no coverage ever existed. Rescission may be elected by LIBERTY only in the event of fraud or intentional misrepresentation of material fact such as if You intentionally submitted incomplete or incorrect material information in Your enrollment application that would have affected our decision to accept You as a covered Member. You have the right to appeal any decision to rescind Your membership. Appeal procedures will be provided to You in the notice of rescission.

IX. RENEWAL AND REINSTATEMENT OF COVERAGE

Your coverage will be automatically renewed at the same terms and conditions unless LIBERTY notifies You in writing at least 30 days before the end of Your coverage term describing any changes in the Premium, coverage or other terms or conditions of Your coverage.

X. GRIEVANCE PROCEDURES

If You are dissatisfied with Your selected Primary Care Dentist, personnel, facilities, specialty referral, Pre-Authorization, claim, or the dental care You receive, You have the right to complain to the dental plan. A Complaint is the same as a Grievance. Grievance Forms may be requested by contacting LIBERTY Dental Plan's Member Services Department at (888) 703-6999. Grievance Forms are also available on our website, www.libertydentalplan.com, or by calling LIBERTY Member Services or by asking Your Provider. Grievance Forms are not necessary. LIBERTY will investigate a Grievance submitted in any format. Your complaint or Grievances may be:

- Sent in writing to: LIBERTY Dental Plan, P.O. Box 26110, Santa Ana, CA, 92799-6110, or
- Sent by facsimile to: LIBERTY Dental Plan's Member Services Department facsimile at (949) 223-0011, or
- Submitted verbally: LIBERTY Dental Plan Member Services Representative at LIBERTY's toll-free number: (888) 703-6999, or

You may use a "patient advocate" to help You file a Grievance. For Grievances involving minors or incapacitated or incompetent individuals, the parent, guardian, conservator, relative or other designee of the Member, as appropriate may submit the Grievance to LIBERTY, or to the DMHC for urgent matters (see "Urgent Grievances" below)

If You have limited English proficiency, visual or other communication impairment, LIBERTY will assist You in filing a Grievance. Assistance may include translation of Grievance procedures, forms and LIBERTY's responses, and may also include access to interpreters, telephone relay systems to aid disabled individuals to communicate.

You will not be discriminated against in any way by LIBERTY or Your Provider for filing a Grievance.

You may file a Grievance for at least 180 calendar days following any incident or action that is the subject of Your dissatisfaction.

LIBERTY Dental Plan's representatives will review the problem with You and take appropriate steps for a quick resolution. You will receive acknowledgement of Your Grievance within five (5) calendar days of receipt. Grievances will be resolved within 30 days.

Grievances Exempt from Written Acknowledgement and Response: In some cases Grievances that are received by telephone, facsimile, e-mail or through a website that are not coverage disputes, or are not involving Dental Necessity and are resolved by the next business day do not require a written acknowledgement or response. In these cases You will be contacted by the same method by which You submitted the Grievance or otherwise discussed with You at the time You reported Your complaint.

The following information is required by the State of California pertaining to Your dental plan.

A. STATE OF CALIFORNIA DEPARTMENT OF MANAGED HEALTH CARE (DMHC) COMPLAINT PROCEDURE

The DMHC has established a toll-free number for You as a Member to utilize should You have a complaint against a health care service plan, or requests for review of cancellations, rescissions and non-renewals under Health and Safety Code section 1365(b) and related guidance and rules. This number is **888-HMO-2219**. As a Member You may file a complaint against LIBERTY Dental Plan; however, You may only do so after contacting Your plan directly to utilize its complaint resolution process.

A Member may immediately file a complaint with the California DMHC in the event of a dental emergency situation. In addition a Member may also file a complaint in the event that the plan does not satisfactorily resolve the complaint (grievance) within thirty (30) days of filing with your health care service plan.

California Required Statement: The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your Health Plan, you should first telephone your Health Plan at **1-888-703-6999** and use your Health Plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your Health Plan, or a grievance that remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a Health Plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number (**1-888-HMO-2219**) and a **TDD line (1-877-688-9891)** for the hearing and speech impaired. The Department's Internet web site <http://www.hmohelp.ca.gov> has complaint forms, IMR application forms and instructions online.

Grievance Resolutions and Responses: For Grievances related to requested services that were denied, delayed or modified based in whole or in part on a finding that the proposed health care service is not a covered benefit, the response will indicated the exact document, page and provision applicable to the Grievance response.

For Grievances related to requested health care services that were denied, delayed or modified in whole or in part based on a determination that the service is not medically (dentally) necessary, the response will indicate the criteria, clinical guideline or policy used in reaching the determination.

Urgent Grievances: For cases involving an imminent and serious threat to Your health including, but not limited to, severe pain, potential loss of life, limb, or major bodily function, LIBERTY will expedite the processing of Your Grievance upon notification of this urgent condition. LIBERTY will resolve to the urgent condition within 3 calendar days of receipt of the Grievance, or sooner, based on the condition. In the case of urgent Grievances, You are not required to await the determination by LIBERTY before accessing the DMHC as noted above.

If You are not satisfied with the resolution initially provided, You may contact the DMHC as noted above. You may also submit additional materials for additional consideration to LIBERTY Dental Plan's Quality Management Department. Your requests must be in writing with a detailed summary and should be directed to:

LIBERTY Dental Plan, Inc.
Quality Management Department
P.O. Box 26110
Santa Ana, CA 92799-6110

Any additional information will be processed as a new Grievance.

B. MEDIATION

You may also request voluntary mediation with LIBERTY before exercising Your right to submit a Grievance to the DMHC. The use of mediation does not preclude Your right to submit a Grievance to the DMHC upon completion of mediation. In order to initiate

mediation, You or Your agent must voluntarily agree to the mediation process. Expenses for mediation will be borne equally by You and LIBERTY.

C. INDEPENDENT MEDICAL REVIEW (IMR)

In cases which result in the denial of the Pre-Authorization request for Covered Services by a LIBERTY Dental Plan Provider, and are considered the practice of medicine or are provided pursuant to a contract between LIBERTY and a health plan (that covers hospital, medical or surgical benefits) may be eligible for the DMHC Independent Medical Review (IMR) program. Subscribers may request a form for the independent medical review of their case by contacting LIBERTY Dental Plan at 888-703-6999 or writing to: LIBERTY Dental Plan, P.O. Box 26110, Santa Ana, CA, 92799-6110. You may also request the forms from the Department of Managed Health Care. The Department of Managed Health Care may be reached at 1-888-HMO-2219 or by visiting their website at: <http://www.hmohelp.ca.gov>. Independent Medical Review is only available for certain medical services.

D. ARBITRATION

If You or one of Your eligible Dependents is not satisfied with the results of LIBERTY Dental Plan's complaint resolution process, and all the complaint resolution procedures have been exhausted, the matter can be submitted to arbitration for resolution. If You, or one of Your eligible Dependents, believe that some conduct arising from or relating to Your participation as a LIBERTY Dental Plan Member, including contract or medical liability, the matter shall be settled by arbitration. The arbitration will be conducted according to the American Arbitration Association rules and regulations in force at the time of the occurrence of the Grievance (dispute or controversy) and subject to Section 1295 of the California code of Civil Procedure..
